

Need a security fence? We are the experts

Security fencing is proven to provide a great deterrent against crime. Fencing Manufacturers Pty Ltd, a family owned and operated business since 1978, manufacture a complete range of security fencing in steel and aluminium. We can manufacture security fencing to suit all specifications required by the customer. We also specialise in a full range of tubular steel and aluminium fencing, pool, garden, privacy screens, automatic gates, balustrades and glass and slats. We have many styles and colours at affordable prices.
